

is proud to present

Ipplepen's First CARNIVAL SCARECROW Competition

OPEN TO ALL

Sunday 2 – Saturday 8 August

Exciting prizes for Best Household & Best Group / Club

Take part in this historic event by making a scarecrow and displaying him / her / it in your front garden, attached to your house or on your Group / Club's grounds (somewhere where he / she / it can be seen from the road by the Judging Panel)

Scarecrows can be made of traditional materials (old clothes, straw, wood) or anything else that takes your fancy (plastic bags, bubble wrap, old tights, rubber gloves – the list is endless). Props (chairs, bicycles etc etc) can also be used. Size is not an issue.

Just make sure that he / she / it is hardy enough to be displayed outside for a week (although we won't be having any rain in Carnival Week!).

All scarecrows need to have a name, and need to be on display from Sunday 2 August.

Scarecrows will be judged on originality and creativity. The Judging Panel's decision will be final.

Entry forms are available from Ipplepen Post Office Store or call Amanda Harvey on 01803 813054

Closing date for entries is Saturday 25 July

Entries will be judged by Friday 7 August and prizes will be presented at the Carnival on Saturday 8 August
